

The Best Way to Make Money Blogging is with Sponsored Posts.

Your Instructor: Paul Aroloye

With Sponsored Posts you'll stop stressing about Google AdSense and start making your monthly 9-5 salary within 7 days.

Quick Disclaimer

DISCLAIMER: This is not for new blogs with Domain Authority (DA) of below 20.

To make money with sponsored posts on your blog, you must have a blog that has been in existing for a while and has a Domain Authority of more than 20.

If you have a blog with a Domain Authority of more than 20 then this method is for you.

How to Get Started Making Money Blogging with Sponsored Posts.

You'll need the following things to get started the RIGHT WAY with SPONSORED POSTS.

1. A website or blog with more than 20 DA. You can check [here](#).
2. You MUST HAVE these Pages Created the RIGHT WAY: About, Contact, Advertise and Write for Us.
3. You MUST HAVE the necessary Sponsored Posts Outreach tools that will give you more recurring deals every month.
4. You should have awesome content on your site.
5. You should ALWAYS build BACKLINKS.

2. Setup the Required Pages

The most important page you can have on your website or blog is your CONTACT PAGE.

So make sure you have a CONTACT page that you have tested to be working.

WHY?

Because that's the direct link advertisers have to you.

3. The MUST-HAVE Sponsored Posts Outreach Tools

The most important MUST-HAVE tool is an email finder tool. I recommend Snov.io

With this, you can get the email addresses of potential advertisers, reach out to them and secure that sponsorship deal.

Securing one BIG sponsored posts deal is enough to make your monthly Google AdSense income and full-time 9-5 salary.

4. Have Awesome CONTENT on your site

This is very important because one piece of awesome content can earn you passive link insertion deals because this piece is content is performing so well on Google Search, advertisers would want to jump on it too so they can get maximum exposure and a backlink for your product, client or service.

NEVER COPY AND PASTE CONTENT.

5. Always get BACKLINKS

Getting STRONG backlinks is hard. I tried for years, learning SEO and link building. I know what works and how to get them.

LUCKILY for you. I am offering you a FREE DO-FOLLOW BACKLINKS PACKAGE (Worth \$750) for all my Students that enroll in my course.

These links are SUPER-POWERFUL and increased my Domain Authority from 25 to 38 within a year!

The Good News Is...

You're in the right place. You'll turn all your mistakes, wasted attempts at making money from your website or blog and Google AdSense strict policies and 9-5 stress to something positive and worthwhile for you to enjoy.
